WHY EVERY SPECIFICATION WAS CHOSEN

Specs that matter in real classrooms

Processor Intel N95 quad-core	Handles browsers, video lessons and learning platforms simultaneously — without the lag that interrupts a lesson.
Operating System Windows 11 Pro	School-grade security, device management and compatibility with every major curriculum and productivity tool.
Memory 12GB DDR5 RAM	Far above entry-level laptops — keeps multiple tabs, documents and apps open smoothly for project-based learning.
Storage 512GB SSD	Fast startup and room for years of coursework, offline lessons and creative projects with no slowdowns.
Display Full HD 1920×1080	Sharp text and clear visuals reduce eye strain during long study sessions and video classes.
Build & Battery Rugged chassis, all-day battery	Survives daily handling and lasts a full school day without needing constant charging stations.
Protection 1-Year Manufacturer's Warranty	Covers manufacturing faults so devices stay in service and school budgets stay protected.

PEACE OF MIND INCLUDED

1-Year Manufacturer's Warranty

Every E.Y.E Laptop ships with a 1-year manufacturer's warranty covering manufacturing faults. Each device is pre-configured and delivered ready for learning from day one.
